Paul Thorp  
President  
ATU  
210-61 International Blvd  
Rexdale, ON M9W 6K4

Brother Thorp,

I want to thank you for the multiple meetings we have had over the past week. After considering all of the information presented to me, I have made the following decisions:

1. I am immediately reinstating the Article 4 protections to ATU, Local 113.
2. I am appointing an investigator to this file.

You will receive a formal letter from me informing you the name of the investigator. The investigator will be provided with the contact information for Bob Kinnear, Manny Sforza, and yourself. Both sides will have an opportunity to present evidence to the investigator and provide contact information for people you would like him to contact.

The terms of reference for the investigator can be found in Article 4 of the CLC Constitution.

Thank you in advance for your co-operation.

In solidarity,

Hassan Yussuff  
President
